

More non-news about the “Eco-Extremist Mafia”

2018/10/23

Our last release of information about the so-called “Eco-Extremist Mafia” caused a commotion in the Church of ITS Mexico. Without giving them the oxygen they require in their parasitic nature on the international anarchist movement which they need to survive, we release a report and reply to the smears and idiocy of their position.

Within 12 hours of the doxxing of [REDACTED] being released, the so-called ITS “Mafia”, who virtually live on the internet now, were so upset they had to describe the age and dryness of my Vagina! And take responsibility for the “massacre” beating of an anarcho-punk after a Zapatista rally last December! What is there left to say either to or about these misogynist, misanthropic, psychopathic high priests of the ITS death-cult?

Predictable smears from the post-truth ITS, who take responsibility for actions they have not done, imitating a tactic of IS/Daesh, and now, calling us “cops” who apparently emailed the UK police to inform them that the laughable ‘Archie the Robot’ “Archeognas” is responsible for the ‘Misanthropos Cacoguen’ ITS bomb that was indiscriminately left in a busy street in Edinburgh, Scotland where young people hang out and meet each other. Hilarious! And the basis for this? That a mainstream newspaper reported that cops received the communique (which reads more like a psychotic meltdown), from a Riseup.net mail server! It is more likely that the ‘Archeognas’ or another member of the “Eco-Extremist Mafia” did such a stupid act just to cause shit for Riseup, as they hate it so much, and now print lies against us as befits them. After years of shit from this idiot ‘Archeognas’, is this all that he and ITS can achieve? No, their words and texts reveal it all, and we are fucking laughing at the Church of the ITS Mexico and their choir-boys. That is the tactic of their silly smear, now repeated by some delusional idiot in Brazil. If that is the extent of their logic, it is no wonder that they have made the ideological and practical mistakes which have taken them to the abyss of shit, taking responsibility for minor homicides and planting bombs in public places with the sole intention of hurting as many people as possible. Eco-fascist scum.

After almost ten years of threats, smears and attacks, we are fighting back with some of the means we have, and we will continue to collect and publish information about the Eco-Extremists; the same as we do with the fascists. This is a known anti-fascist tactic proven to work, and we are not afraid of any reprisals. This tactic is an open source method to alert true comrades to the location and identity of their enemies: Our comrades who have been repeatedly smeared, threatened and harassed by this cringing little ITS gang. It has nothing to do with the police, we don’t give a fuck about the police, it is for us. Our comrades are using this tactic to great effect in UK, Germany, Spain, Australia, Canada, United States, Greece, Italy, Netherlands and everywhere that there are anarchists of action. Since ITS have always made it clear that they intend to kill us, that they are not anarchists and their actions and their ‘philosophy’ are not anarchic, we owe them nothing, nor do we owe their sheep-like supporters in America or Europe anything. The Church of ITS is nothing more than the murderous and mentally disturbed acting-out of any ordinary psychopath to

whom we equally owe no allegiance whatsoever. We are not sure why they think they can demand any silence from us on the grounds of, what? Comradeship (or not even)? Criminalism? Don't make us laugh, the 'code of the streets'? 'Moralism' from those who don't believe in anything? As one of our comrades in America wrote to us, "Funny how the nihilists turn into politicians as soon as another side draws a line in the sand and says enough is enough".

The Church of ITS is an opportunistic authority of those that try to throw enough shit until some of it sticks, the classic tactic of fascists and bosses – "repeat a lie enough times and it becomes true", propaganda at its best, written like the liars that they are. In the typical way of ITS, they try to use the words of other anarchists against us, in this case the CCF. We cannot and will not speak for our comrades of CCF, but in the quoted section by this minor ITS Brazil loser, CCF are describing their relationship to those they have worked with, not those who are already enemies and targets. Information regarding targets is to be circulated, and ITS are now Eco-fascist targets, having always eschewed any anarchist solidarity and comradeship. Maybe there was a time in the past there was some confusion as to the destination of the Church of ITS Mexico and their choir-boys, but now it is clear and has been for so long. Where are the original comrades of ITS? Where has the intelligent and articulate writing concerning technology and the direction of the techno-industrial-society gone? Disappeared in injuries, in arrests, not made public? Disappeared into hatred, fear and terror? Reduced to the garbage of blogs and social media? The international anarchist space is much more than this, and ITS needs conflict and division to feed their project, which has been given a platform by some of the most irresponsible shit-stirring post-modernist gamers and book-nerds in Europe and USA.

ITS and their sub-groups are simply vile, abusive performers in their own sick circus of hate and homicide. If we have the ability to fuck with them and make things difficult for them, even disrupt or attack them, then we will. Especially their "Eco-Extremist theorists" like [REDACTED] and co. If it is possible for us to arrange for dozens and dozens of comrades to travel to Iraq and Syria to fight IS/Daesh, then we can send a few comrades to Mexico and Brazil. We are not scared, come and try to attack us, we will obliterate your wee dafties 'Wildfire Cell' and 'Archegonas'. It's not a problem for us, they know that they have never even emailed us to arrange a meeting in all this time. Same goes for the pathetically proud and thin-skinned 'Maldicion Eco-Extremista', what a joke. We have been emailing you, why won't you meet our people in Mexico? Is it because your IP address is in Berkeley, San Francisco? The Church of ITS are nothing but cowards playing games, using the anarchist space for their own entertainment, just fucking scum who will get hurt and die soon.

[REDACTED], 'Abe Cabrera'. Now he has problems. Both himself and Guillory, his partner, 'removed' from the website of their employer, and here we publish his address, as a response to the smears of ITS. This is how your 'indomitable' translator and "theorist" [REDACTED] ended up. A coward, and his "comrades" all betrayed him in public and left him for the dogs. That is the "Eco-Extremist Mafia", the "theorists"

who will go “forward”. The deafening silence from the “eco-extremist theorists” is really revealing after all the baiting, smears and threats taking place. And for each new provocation of the Church of ITS we will add the fire to the flames for the Americans and those we find in Europe. That each threat and attack will be answered.

Yes, [REDACTED] wishes us well. What a cowardly piece of shit. He immediately ceased his Atassa project and took down every online evidence that Atassa existed, helped by the pseudo-comrade Aragorn/LBC, who continues to distribute the Atassa book-journal; hell, everything helps sales, right? [REDACTED], who was translating the ITS texts, helping ITS/MaldicionEE write texts, make threats and glorifying in the murders, buckled so quickly. He even sent this next email shortly after, just to beg us a little more to save his miserable life, here it is.

Also, in exchange for taking down the supposed doxxing post against Mr. [REDACTED], we can offer a public retraction of the Atassa project which you can publish on your site. You can assess whether that retraction is enough to end this whole business. We are not entirely unsympathetic to your aims and regret any damage that our actions have caused.

A retraction to “regret any damage that our actions have caused”. I had to repeat that, because it is just so beautiful. The Church of ITS Mexico who gave a long pontification about my old ‘anarcho-cop’ Vagina, and who had so much faith in [REDACTED], and in his Catholic vivisectionist wife, and this is how he repaid them. Beautiful. [REDACTED] has no idea how much danger he is in, maybe now he’s starting to understand. What did the so-called “comrades” of [REDACTED] have to say about it? Nothing. They dumped him. Poor Ramon, he’s so misunderstood. As a co-editor of the ‘Black Seed’ garbage journal distributed by Aragorn/LBC, which tries to mix green anarchism and eco-extremism, and insert this toxic poison into the international anarchist ‘movement’, you are not misunderstood. It was clear in the decision to print the text ‘To the World Builders’ and it’s inclusion in the ‘The Anarchist Library’ what the position is you all have taken. Post-modern crap theorising around rape culture and murder, fuck you and die.

Elani is so “misunderstood” that the shit eco-academic-activist philosophy and creative writing project ‘Dark Mountain’, has published his new text, where he takes the opportunity to fully renege; disavowing property destruction, sabotage and attacks. So much for the “indomitable” Eco-Extremist theorists, what cowards.

There it is; there is "ALL the participants and friendlies around the Atassa project", which we assume includes LBC/Aragorn totally throwing [REDACTED] under the bus just to save themselves any bother. They must seriously underestimate us to write such ridiculous shit – Ah, just a "theoretical exploration of violence". What a fucking collection of cretins. So much for the claims of the Pope of ITS Mexico about their "theorists", these people couldn't theorise themselves out of a paper bag.

"Eco-Extremism" is an opportunistic trend of parasitism, online fakes and sacred beliefs, recycling on facebook, twitter and the "altvista" or "wordpress". Although they would like you to think that their groups are spreading, instead they are dwindling, with a few people traveling between countries (or staying put in Mexico!) and believing in their sacred misanthropic mission. A mission which is expressed as hatred of women, hatred of anarchy, and 'humanity'.

What we did find out, was that a few months ago [REDACTED] promoted on his summer reading list on Atassa Facebook, the book "Iron Gates," which is a fascist written and published book that is set in a concentration camp. Part rape fantasy, part pro-Nazi propaganda. It's also one of the 'go-to' texts promoted by Atomwaffen Divison in the USA, which is like the American version of National Action (Neo-Nazi group in UK). A lot of comrades have pointed to a potential cross over between the Eco-Extremist material and Satanic/Neo-Nazi crap like Atomwaffen who has killed about half a dozen people in the US.

Yeah, so much for all these "theorists" and ITS "cells" that like to philosophise about what is and what is not "fascism", and how dare the 'anarcho-cops' call them fascists.

We specifically warn against this EE tendency because of the potential for cross-overs with the nationalist-autonomous & nationalist-anarchist, neo-nazi and indigenous pagan "white tribe" eco-fascists who target the dredge of the anarchist scene with their irrationalist, green authoritarian and runic occult bullshit.

In the last text-threat from ITS Brazil, where they blame the Hambach Forest defenders for the death of the comrade who fell from the trees, we find the jealousy, the resentment, the bitterness of those who understand nothing about what it is that we are fighting for. In all the texts from ITS these past years we find a gross lack of

understanding of what the anarchist ideas are and what anarchist methods are. Instead we just find a perverse and fanatic pathology and a weakness, leading to their ongoing blatant failures and authoritarian outcomes.

The “Eco-Extremist Curse” remains a joke, and for all the lies and smears that come from their mouths, we will target those that come within our reach.
