INTRODUCTION

Loompanics Unlimited is publisher of the world's most controversial and unusual books: non-fiction and how-to for anarchists, survivalists, iconoclasts, mercenaries, investigators, drop-outs, researchers and just about anyone interested in the strange, the useful, the arcane, the oddball, the unusual, the unique, and the diabolical. If your customers long for something different, they will appreciate the wide range of subject matter we offer.

Loompanics Unlimited has been satisfying unusual information needs for more than 15 years. We have a reputation for reliable service. For ordering information, please turn to the last page of this catalog.

We publish about 24 titles a year, with announcements of new releases every two months. Please watch for our Dealer Updates and flyers.

We hope you enjoy browsing through our catalog, and we look forward to a long and mutually profitable relationship. .

— Michael Hoy, Pres.

"Loompanics is a lot more reliable than most mail-order businesses. Its prices are a lot cheaper than the academic houses that cater to free-spending university libraries."

YOU CAN BE AN INFORMATION WRITER

by Duncan Long

The market for information writers is booming. Duncan Long shows how you can make good money in technical writing, articles, investigative reports, how-to books, and advertising. The author of more than 30 books and hundreds of articles, he shows you how to find paying markets, how to write proposals that get results, how to get paid before you start writing, and much more. The chapter on research alone will cut your writing time in half while doubling the value of your work. 1991. 514 x 814. 168 pp. soft cover.

ISBN 1-55950-066-2.

FREEDOM ROAD

by Harold Hough

Have you dreamed about leaving the rat race but don't know where to start? This book will take you down the road to freedom, one step at a time. It will show you how to make a plan, eliminate your debts, and buy an RV. You'll learn about beautiful places where you can live for free. You'll learn how to make all the money you'll need from your hobbies. And you'll learn how to live a comfortable, healthy lifestyle on just a few dollars a day. Why wait for retirement when you can live a low-cost, high travel lifestyle today? Get on freedom road! 1991, 514 x 814. 174 pp, illustrated, soft cover.

ISBN 1-55950-067-0.

CHECK FRAUD INVESTIGATION

by Burt Rapp

Because check fraud is small-time come. "serial swindlers" are able to move from town to town, passing bad paper wherever they go. Police writer Burt Rapp takes a look at all the techniques of the paperhanger: bouncing checks, stealing checks from banks and print shops, counterfeiting, and much more, including dozens of ruses that get people to accept bogus checks. Also covers money orders, warrants, drafts, even certificates of deposit (CD's). 1991. SW x 814.' 167 pp. illustrated, soft cover.

ISBN 1-55950-965-4.

THE ABOLITION OF WORK

by Bob Black

Bob Black's opposition to work has landed him on the pages of *USA Today*, *the Wall Street Journal*, and *The Village Voice*, among others. His writings have appeared in hundreds of counter-culture publications. The title essay in this collection is probably the most well-thought-out condemnation of wage labor ever to appear in print. The other essays are equally provocative and include the now-famous "Feminism as Fascism" and "Theses on Groucho Marxism." 1986. 5'4 x 8W. 159 pp, soft cover. ISBN 0-915179-41-5.

RANTS AND INCENDIARY TRACTS

Edited by Bob Black & Adam Partrey

Subtitled "Voices of Desperate Illumination 1558 to Present," *Hants end Incendiary Tracts* is a collection of very loud outcries from very disturbed writers. Timothy Leary, the Marquis de Sade. Judge Roy Bean. Ezra Pound, Wilhelm Reich, the Ayatollah Khomeini, Max Stlrner, Valerie Solanas. Rabbi Meir Kahane. Anton Szandor La Vey. Kerry Wendell Thornley. Earth First!, and dozens more. "Why is a rant so important? Because no one dares speak his mind anymore." 1989, 5% x 814, 220 pp, illustrated, soft cover.

ISBN 0-941693-03-1.

These» On The Practical Necessity Of Demanding Everything

ot Demanding Everything by For Ourselves

A communist defense of pure greed? Out of the Situationist movement of the 1970's comes a challenging attempt to reconcile Marxist commu- msm.with capitalist egoism. The authors propose that selfishness is the highest form of communism. that all moral- ity is a form of self-sacnface. that the true egoist transcends petty materialism tor a more rewarding form of self-fulfillment. One of the most challenging books you will over read. 1974. 514 x 814. 94 pp, soft cover.

by Ragnar Redbeard

An egoist classic, *Might Is* (*tight* is a tireless, juicy rant against both political and moral rights. The world is governed by *farce*, not by genteel political or religious creeds, and the rule of Power is just natural, and will never be changea by ideologues. Those who have enjoyed Nietzsche and Stimer will not want to miss this exciting work, which includes an introduction by S.E. Parker. 1984. 5’A x 8%. 154 pp. solt cover. ISBN 0-915179-12-1.

THE MYTH OF NATURAL RIGHTS

by LA. Rollin*

In this seminal work. LA Rollins effectively demolishes the myth of “natural rights.” He exposes the “bleeding heart libertarians” who promote these rights, including Ayn

Rand, Murray Rothbard. Tibor Machan, Samuel Konkin and others. Rollins dissects the arguments for natural rights, cutting through the faulty logic to the core of libertarian dogma. An Important book for libertarians who take their ideas seriously. 1983. 5'4 x *SVt*. 50 pp. soft cover. ISBN 1-55950-007-7.

THE WORLD POWER FOUNDATION

It* Goal* and Platform

by Harold Thoma*

Certainly the most reactionary book ever written. A group of millionaires plot to create a world where they are the masters and everyone else is either a slave or dinner: "Ultimately, everything is food, so the greatest sin is to waste it and the greatest folly is not to recognize it."
