

# An Insulting Limerick

Ted Kaczynski

1978

There's a certain young lady named Ellen,  
Whose fanny is very repelling,  
For the overgrown mass  
Of fat on her ass  
Makes a gross, disproportionate swelling.

Her girdle's a tight one, of course—  
It's nylon and steel-reinforced.  
But no matter how hard  
She squeezes her lard,  
She still has an ass like a horse.

An Insulting Limerick  
1978

U.S. Marshals to Auction Unabomber's Personal Effects  
From July 17, 1978, Ted recorded his day to day processing of his infatuation with a woman at his workplace, which includes the journal entry where he says that after being rejected by her, he planned to mutilate her face with a knife. He claimed to have sent letters to Ellen that he also showed his brother and both his parents. The letters included such statements as "I intended physical violence of a serious nature", but sadly there was no effective intervention made in Ted's life to set him on a better path and so he went on to kill 3 people and seriously injure many more.
