

# Ted Kaczynski's 1974 Journal

Series III, #5

May 31-Sept 15

I made, or this time I should rather say rebuilt, another jackknife. It was easy this time, as I had nearly all the essential metal parts. I congratulate myself on having done a lovely job. But it must have cost me nearly a dollar to make the thing, as I broke a 55-calt drill-bit in the process. ...
