Dear Mr. Wood:

I am taking the liberty of sending you, under separate cover, a book which I believe to have great social significance. I am sending copies of this book, "Ice Brothers," by Sloan Wilson, to a number of prominent people in the Chicago area because I believe this to be truly a book for our time, a book that should be read by all who make important decisions affecting the public welfare.

I realize that a man in your position does not have time to read every book that is recommended to him, so that I may have wasted time and money in sending you a copy of Mr. Wilson's work. But I feel sure that it will be worth your while to at least glance through the book. Since it is as entertaining as it is significant, perhaps you will then decide to read the entire work.

Sincerely,

Enoch W. Fischer
